Group Swimming Lessons Private Lessons	Lessons are held throughout the year. See brochure for more information.	\$32.00 \$52.00

Joining or signing up:

Register at Dickinson Parks & Recreation, 2004 Fairway Street or online at www.dickinsonparks.org.

Getting inside/moving around easily:

Our facility is ADA accessible and has zero depth entry into the leisure pool. We also have a lift available for entry into the lap pool.

Keeping your child safe:

There is always a lifeguard on duty and we ask that the parents accompany their child to observe the lessons. Children may wear goggles if necessary.

Making it work for your child with special needs:

If group lessons are not accommodating to your child we also offer private lessons where your child will be with an instructor one-on-one.

Making it work for the whole family:

We offer Parent & Me classes for children ages 6 to 35 months and also a viewing area for both pools for parents to view group lessons.

Helping your child fit in and make friends:

We encourage group interaction in all of our classes.
