Joining or signing up:

Sign up in person at Masterpiece.

The instructors will be Pam and Brooklyn

Getting inside/moving around easily:

Parking is on Villard. Location is in lower level of Masterpiece.

It is not wheelchair accessible.

Keeping your child safe:

Children are not allowed to leave unless arrangements have been made or an adult they know picks them up.

Making it work for your child with special needs:

If children with special needs want a class we will be having a special class for one on one time.

Making it work for the whole family:

Children are left with us without a parent for all classes. This gives the parent or guardian a short break. The children love it.

Helping your child fit in and make friends:

All of the children make friends in these classes. They are so excited to attend.
