The workshop runs every day during the week for 2 weeks. If parents have concerns about how to get there child to workshop or being able to pick them up please contact us to see how we can help with those needs.

Helping your child fit in and make friends:

The workshop is a great opportunity for kids to make friends. The children play together, eat together, sing together, learn together, dance together, etc. Everyone works hard to make sure that it is an enjoyable experience for all. Many of the children make friends that they only see these two weeks of the year. It is exciting for them to come back year after year to see each other again.
